You are a coward, Isaac. You're hiding behind your insecurities and take it out on a woman and the woman, in this case is me, your wife. So you never were a Christian, you never were a Catholic. You always stuck to your heathen ways, so that means you know, that you're fake.. you never were a Catholic, you don't believe in Jesus Christ, you don't believe in marriage.

These fake Annulments are like divorces you acquire.. marriages are of a Catholic nature are of the church, as if it were something of a pagan civil marriage that can be undone, calling married dogs animals, men to men, women to women, this is what civil marriages are. And you think that.. that God respects that. God will respect your annulment. Yes, Isaac, you're abusive. You have to learn.

You can't send me something from 2022 that says the same thing that I told you, that it's wrong what you said. You think you're perfect. You're almost like a devil. You think you're so perfect. Only Jesus is perfect okay. You're not perfect. You're actually aligning with the devil.

So if you like, if you want to abuse me because I was a rape victim, you want to belittle me because I don't want to press charges because it's hurtful and painful for me to be saying this out loud. It's torturous. I mean, you want to

torture me, even if it means punishing me, making me, putting me down.

You're a great example. You're a poor example in reality for a man. You're not. You're cruel. Okay? This is what you want.. you want an Annulment.. your friend will be happy, you will be happy because you're with the devil. You don't choose God. So this is it, this is my message. You don't love me. You don't love God, and you don't love yourself either.

You've cried under your insecurities. You're not confident about yourself. You accuse me of sleeping with others. I'm not on the streets, okay? But. regardless, where I'm at you don't need to know. Because why? Because you're abusive. You're an abusive person. Even now you've probably put up my phone number online.

This is how you are, you're abusive. How you treat.. no wonder Kathleen didn't.. she left you, she was scared of you because.. and angry with you.. you're.. you're an abuser, okay?

A stalker, abuser.. you don't respect a woman. You don't respect a woman, you don't respect a mother, you know, your mother didn't teach you well.
